

Dolores County School District RE-2(J) Board of Education Meeting Agenda

Date: August 17, 2022

Location: District Office Boardroom

Time: 6:00 P.M.

District Vision: Dolores County Schools will act as an educational facilitator by helping each student learn and develop their learning, helping each student realize their individual potential through the use of projects and other outside activities, helping each student learn from their surroundings by developing cooperative learning projects and community resources, and promoting learning as a lifelong process.

District Philosophy: Dolores County Schools will respect the principle of individual worth and dignity. Students are also expected to become receptive to and abide by this belief. Recognizing that learning is a continuous process, our major goal is to develop, motivate, and educate each student to become a contributing member of our democratic society. We will help our students learn positive attitudes towards themselves and others. Each student attending our schools will be provided a sound educational program emphasizing cognitive, affective, emotional, and physical development. Our schools will strive to develop all students to their maximum potential

A few welcoming notes: The board's meeting time is dedicated to the district's mission. Your insights are needed and welcomed and we encourage you to meet with the appropriate district leader.
