Dear Superintendent Ty Gray,

Your request for permission for the following school(s) to hold less than 160 scheduled school days during the 2023-24 school year, as specified under the provisions of 22-32-109(1)(n)(l) C.R.S., is hereby approved by Commissioner Katy Anthes.

Dove Creek High School
Seventh Street Elementary School

The minimum number of hours required for planned pupil-teacher instruction and pupil-teacher contact during the school year remains in effect.

Please note that in subsequent years, those districts on Performance Watch which are applying for district-wide calendars of less than 160 scheduled school days for all schools in the district will continue to submit additional information (respective school calendars, building class schedules, assembly schedules, bell schedule including lunch time interval, professional development calendar) to the Department so that CDE can review the use and prioritization of instructional time. Details of the information to be submitted in subsequent years will continue to be communicated via the CDE Update.

If you have questions, please contact me at monaco_c@cde.state.co.us.

Sincerely,

Christina Monaco
